# DEÁK ZSOLT

## JUNIOR FRONT-END DEVELOPER

A software developer passionately opened for a new professional challenge and ready to take on responsibilities. Reliable team member always ready to help. Quick learner with problem-solving and decision-making mindset, and excellent interpersonal skills.
I am seeking to be employed in a company where I can add value using my skills and my previous professional experience.

## EXPERIENCE

**full time industrial engineer since 2016 at COMAU Romania s.r.l.**

SITE SUPERVISOR
BUY-OFF BOOK(HANDOVER) COORDINATOR
PROCESS ENGINEER

- Was the interface between the client and the commissioning team responsible for the handover of the project
- Leading a 5-10 member team as a site supervisor
- Regularly changing updates with different teams within the project
- As a major stakeholder my top priorities are finishing the projects on-time, while keeping a good relationship with the client
